APRIL'S NAVY CASH SAILOR OF THE MONTH

LTJG Carlos Diaz of USS GETTYSBURG (CG 64) is the Navy Cash Sailor of the month for April. He arrived aboard USS GETTYSBURG with a strong work ethic and refreshing positive attitude. These traits translated into a grade of Outstanding on the Field Examination Group Audit and a grade of Outstanding on his portion of the recent Supply Management Certification. LTJG Diaz routinely assists other Navy Cash managers across the waterfront proving he is an unequivocal subject matter expert. A one man operation, LTJG Diaz's background did not include Navy Cash, making his solo performance even more impressive. His performance and attitude have reflected great credit upon himself, USS GETTYSBURG, and the Mayport waterfront as a whole making him a most deserved recipient of the Navy Cash Sailor of the month.

MAY'S NAVY CASH SAILOR OF THE MONTH

PS1 Kelly Skillett of USS NITZE (DDG 94) has been named Navy Cash Sailor of the Month for May 2010. Assigned as the Deputy Disbursing Officer, he has demonstrated a thorough knowledge of the Navy Cash system and has consistently provided the highest quality service to his crewmembers. By way of his expert oversight and managerial skills, he oversaw two Navy Cash grooms and software upgrades. With the help of L-3 Communications, he relocated the entire Navy Cash system to a berthing barge during NITZE's recent shipyard period. He has aggressively corrected negative balances and streamlined the enrollment process ensuring new check-ins. His work ethic has made NITZE's Navy Cash operation a more efficient and robust system to track. He has built great rapport with L-3 Communications and other Navy Cash personnel on the shore side. The Navy Cash program office would like to thank you for your superb management of your system!

JUNE'S NAVY CASH SAILOR OF THE MONTH

LTJG Sanjay Sharma of the USS McCAMPBELL (DDG 85) is the Navy Cash Sailor of the Month for June. He assumed duties onboard USS McCAMPBELL in July 2008, and has quickly mastered the Navy Cash system. He was instrumental for incorporating Navy Cash and Thrift Savings Plan training to new Check-ins during Command In-Doc. Following his suit, this became a standard on the 7th Fleet Water front. During his recent Navy Cash groom, LTJG Sharma was highly praised for having extremely organized records, clean and well maintained equipment. In addition to his flawless management, his knowledge level and attention to the finest details were pointed out by Navy Cash personnel. His attentive supervision during the last 24 months ensured a variance free operation for the ship.
